Re: Letter of reference, Staffer Sp z o. o.

To whom it may concern,

This is a letter of reference for Staffer Sp z o. o.

The Hilton Warsaw Hotel & Convention Centre has cooperated with Staffer for over 5 years. During this time Staffer associates have provided high quality temporary workers to our Banquet, Food and Beverage and Executive Lounge departments.

We have formed a good, open working relationship between the Staffer Team Members and our Department Heads. The overall quality and consistency of our contingent labour force has improved over the years and the cooperation has been fruitful for both sides.

In addition, Staffers ongoing commitment towards Innovation and state of the art technology has given our relationship with them a high degree of transparency, convenience and enables us to control cost and budget more effectively to ensure positive outcomes.

Sincerely yours,

Rogier van Zanten

Director of Operations
