Re: Letter of reference, Staffer Sp z o. o.

To whom it may concern,

This is a letter of reference for Staffer Sp z o. o.

We started cooperation with staffer over six month ago. During this time Staffer associates have provided high quality temporary workers to our Banquet, Food and Beverage departments.

We have formed a good, open working relationship with Staffer team members and our department heads. The overall quality and consistency of our contingent labour force has improved.

In addition, Staffers's ongoing commitment to innovation and state of the art technology, has given our relationship with them a high degree of transparency, convenience and enables us to control costs and budget more effectively to ensure positive outcomes.

Yours truly,

Christophe Charolles
